

FAREWELLS AND HELLOS TO OUR TEAM CURATES

Rev Rob Tugwell has been appointed to the post of team vicar in the North Downs team, with particular oversight of the Pilgrim's Way churches. He, along with his wife Nancy and two sons, Harry and Daniel, will be moving to Maidstone over the summer. Rob's licensing will be taking place late summer and we look forward to him beginning his ministry thereafter. Rob joins the team having served his curacy in the Whitstable team ministry alongside serving as chaplain to Junior King's school. He is looking forward to the move and is excited to begin working in the North Down's team.

Our new Team Curate, Jack Greenhalf, was ordained at Canterbury Cathedral on Saturday 3rd July at 5.30pm. Jack's first Sunday in the parish was on Sunday 4th July. In due course, Jack will be ministering at a different team church each month and he will be based at St Alphege Whitstable for the other three Sundays in the month.

Please pray for Rob and Jack and their respective families at this time of change, that they may know God's provision and protection and guidance at all times.
